

[23RD World Congress of Dermatology, June 8-13, 2015](#)

France was the birthplace of the WCD, 125 years ago in 1889. Paris has hosted the WCD in 1889, 1900, and 2002. France is the only country to ever host 3 World Congresses in 3 different centuries.

One of the world's most cosmopolitan cities, Vancouver, Canada eagerly awaits the opportunity to welcome you in June 2015. Upon arrival, you will feel like you have always belonged!

With thirty (30) ILDS member societies now signed up to attend and hold their annual meetings at the 23rd World Congress of Dermatology, we are very excited to announce that the *Société Française de Dermatologie* (SFD), the *Association des dermatologistes francophones* (ADF) (France) and the *Association des dermatologistes du Québec* (ADQ) have confirmed their joint ILDS Member Society Meeting, "*Meeting des Sociétés Francophones de Dermatologie*" on June 8, 2015
